BUILDING LIVES WITHOUT VIOLENCE

August 10, 2018 (Friday)

12:00 PM - 1:00 PM

JSOM 11.214 / 11.218

Domestic violence/abuse does not discriminate.

It affects people of all backgrounds.

ANYONE of any race, age, sexual orientation, religion or gender can be a victim – or perpetrator – of domestic violence.

Most victims do not seek help because of fear or shame.

BE the difference!

Help build a safer world ... one life at a time.

Join us and learn how to detect and/or assist those in need.

Workshop is limited to 100 participants.

Register online by July 31:
